## EndNote Web Library

## EndNote Web 个人图书馆

The screenshot shows the EndNote Web interface. At the top, there is a search bar and a dropdown menu for folders, currently set to 'All my folders'. The user is identified as 'Don Sechler'. On the left, a sidebar contains navigation options like 'New Reference', 'Online Search', and 'Output Styles'. The main area displays a list of references under the 'Folder: Unfiled' category. A red arrow points to the 'Folder: Unfiled' label. Another red arrow points to the 'Save or Copy...' dropdown menu, which is open and shows options like 'Save or Copy...', 'Copy To Export List', and 'Create New Folder'. A third red arrow points to the 'Create New Folder' option. A dialog box is open in the foreground, titled 'http://edclinuxqa12.isinet.com:8090', with the prompt 'Enter a New Folder name and click 'OK''. The text 'Fuel Cell' is entered in the input field, and a red arrow points to the 'OK' button.

## Format a Bibliography

### 格式化书目信息

The screenshot displays the EndNote Web interface with three overlapping windows. The foreground window is titled 'Bibliography' and contains the following instructions:

To create a formatted bibliography of references from your library, follow these steps:

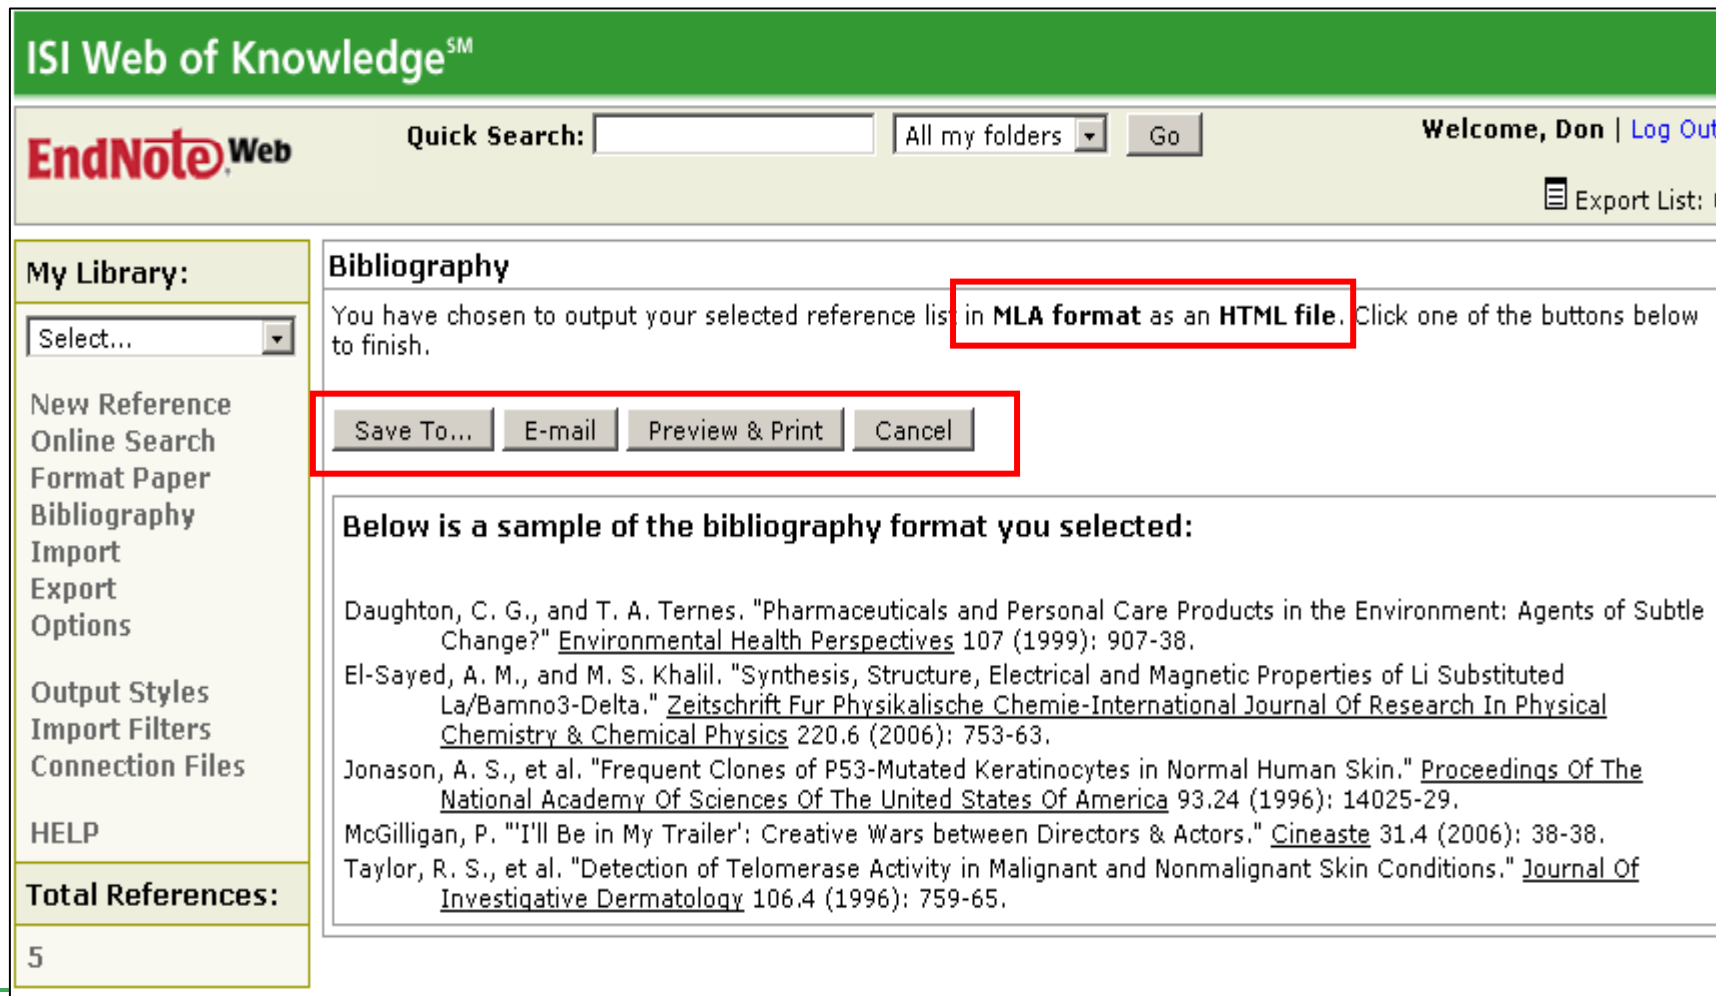

1. Select references:
2. Select a bibliography output style:
3. Select a file format:
4. Click the 'Format' button.

The third dropdown menu is open, showing the following options: HTML, TXT (plain text file), and RTF (rich text file). A red arrow points to the 'RTF (rich text file)' option.

The background windows show the 'EndNote Web' logo, a 'Quick Search' field, and a 'My Library' sidebar with a 'Total References: 25' indicator.

# Format a Bibliography

## 格式化书目信息

The screenshot shows the EndNote Web interface. At the top, there is a search bar and a 'Quick Search' button. Below that, the 'My Library' section is visible on the left, with a dropdown menu set to 'Select...'. The main content area is titled 'Bibliography' and contains the text: 'You have chosen to output your selected reference list in **MLA format** as an **HTML file**. Click one of the buttons below to finish.' Below this text are four buttons: 'Save To...', 'E-mail', 'Preview & Print', and 'Cancel'. A sample of the bibliography format is shown below, listing five references in MLA style. The 'Total References' section at the bottom left shows the number '5'.

## Download EndNote Web Cite-While-You-Write Plug-ins

### 下载Cite-While-You-Write插件

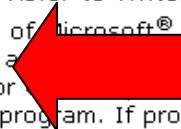

**EndNote<sup>Web</sup>**

#### Installing the EndNote Web Plug-ins

To download and install the EndNote Web Plug-in to use with Word or Internet Explorer for Windows:

 If you have EndNote X.0.2 for the desktop installed, you do not need to install this plug-in to use EndNote Web 'Cite While You Write.' It is installed by default. See [Preferences](#) for more information. If you want to use the plug-in for Internet Explorer, you must install the EndNote Web plug-in below.

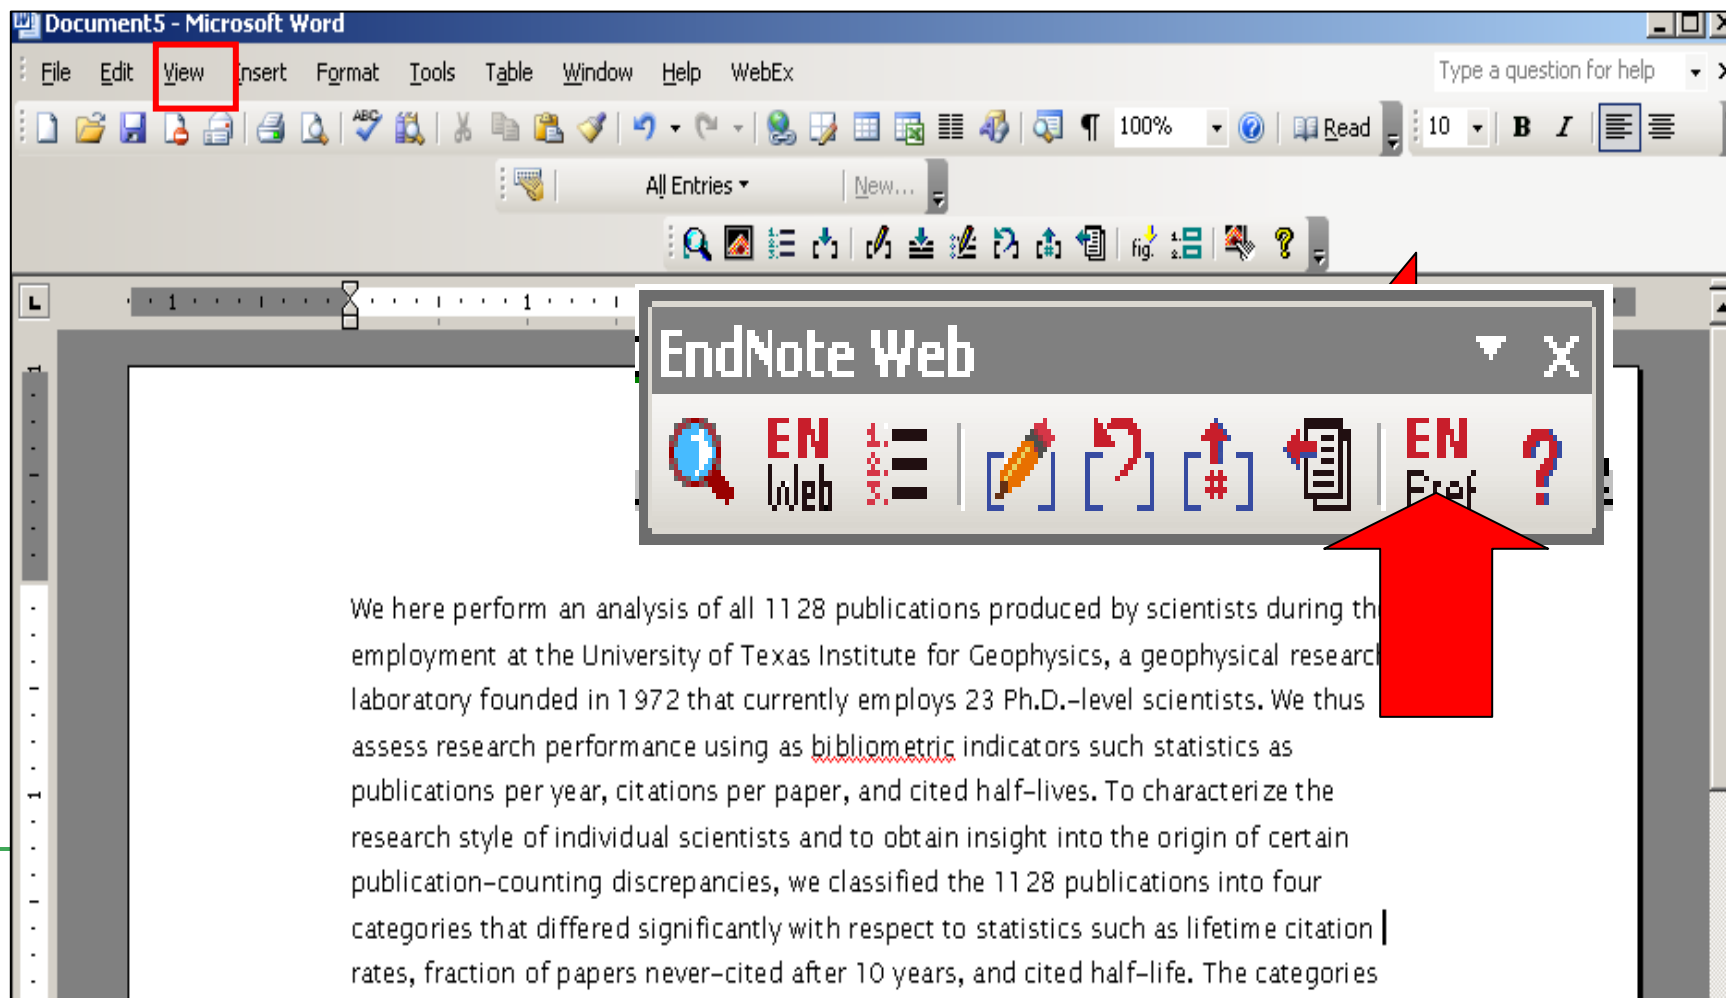

1. [Uninstall](#) the previous plug-in, if applicable. (WriteNote users should uninstall WriteNote plug-ins before installing EndNote Web plug-ins. Refer to WriteNote Help for instructions.)
2. Close all open windows of Microsoft<sup>®</sup> Word<sup>®</sup> and Outlook<sup>®</sup>.
3. Click [EndNoteWeb.EXE](#)  and EndNote Web Plug-in Installer to your computer.
4. Click the **Run** button, or clicking on your browser, when prompted in the 'Download Complete' window. This will launch the installation program. If prompted to confirm the publisher, select **Run**.
5. Continue with the installation, leaving Internet Explorer open.
6. On the Set Server screen, select the type of EndNote Web server account you will be using.
  - ◆ Subscription - Select Subscription if you are using a subscription account and are accessing EndNote Web through <http://www.myendnoteweb.com>.
  - ◆ Advanced - If you are accessing some other EndNote Web server site where the EndNote Web homepage address does not match the subscription address above, select this server option.
7. If you selected the Advanced server option in the Set Server screen, enter the alternate EndNote Web URL on the following Set Server Advanced screen. This is the URL of the EndNote Web homepage.
8. To verify the installation of the Internet Explorer toolbar, open Internet Explorer and look for the EndNote Web toolbar. If it is not visible, select the View menu, Toolbars and check EndNote Web.
